Sorry for the delay. I am just now catching up on emails after the holidays. Did we already find a date for this call?

* 8-9 am on 1/5
* 9-10 am or between 11am - 2:30 pm on 1/8

1/4 is a little tough because we have an all day leadership meeting but I can probably chat around lunch hour. I don't have an agenda for our meeting yet so I can let you know soon.

Hi Cristina and Emilio,

Following up on this as promised. The survey yielded the following results:

* On the question of whether the LAAC should direct CCSA to form a subcommittee to address the feasibility study on common enrollment, 10 members voted yes and one member voted no.
* On the question of whether members wanted to know more about being involved in such a subcommittee themselves if the motion passed, 7 members answered yes, three members voted no, and one member abstained. Leaders who expressed interest in learning more about the committee were: Marcia Aaron, Erin Studer, Mark Kleger-Heine, Ana Ponce, Irene Sumida, Vanessa Jackson, and Valerie Braimah.

We are conscious of the fact that common enrollment is not among the LAAC's high-level priorities and want to work with you to strategize about subcommittee membership so that we ensure adequate time and resources are directed towards facilities and oversight. Lauren Tate, who we are working with from Great Public Schools Now, has shared that they want to launch the feasibility study in late January, which means we have time to strategize on committee members.

For now, we will share with Lauren that the LAAC voted yes, and that we will strategize with you two on next steps.

We are thinking that it would be good to connect with you two for 15 minutes in the New Year to discuss. Do you all have time between 11:30 am and 4 pm on Thursday 1/4 to start a conversation on the subcommittee?

Best,

Hi all,

If you have yet to cast a vote on the question of whether the LAAC will direct CCSA staff to create a subcommittee on common enrollment, we would appreciate your input. We will keep the survey (link in message below) open through the weekend until 10 am on Monday, 12/18. Please cast a vote prior to that time, and let us know if you have any remaining questions.

Subject: <LAAC Email Vote Requested by 5pm Today> Common Enrollment

Dear LAAC Members,

The December 6th meeting minutes are attached. In addition, we are requesting that you participate in an email vote by 5pm today on Common Enrollment by completing this survey <https://goo.gl/forms/0FkEuzNduvZNuXBn1> . Please read on for details and instructions:

* As a reminder, at last week's LAAC meeting we did not have the opportunity to fully discuss new opportunities in the LA education landscape regarding Common Enrollment. As you know, at the LAAC's August retreat, LAAC members voted to direct CCSA to lead this workstream and provide updates as appropriate.

* Attached is the pre-reading on this item, which was included in your December agenda packet. We've highlighted the recommended action item in yellow.

* Some of you attended an optional, informational call on this topic on Wednesday morning. If you were unable to join the call and have questions before you vote, please contact Chris Copolillo <mailto:ccopolillo@ccsa.org> today.

* By 5pm today, please enter your "yes" or "no" vote via this short survey <https://goo.gl/forms/0FkEuzNduvZNuXBn1> . If you have additional comments on your vote, please email Jennie & Chris; we will collect and share back.

* Note: If the LAAC votes "yes" to direct CCSA staff to form a committee on Common Enrollment, this will not change how Common Enrollment is prioritized. The LAAC's 2017-18 policy priorities will not change. CCSA staff will continue to lead this workstream and will provide updates as appropriate to the LAAC.

Please let us know if you have any questions.

Thank you,

Jennie
